

IELTS Speaking Part 1 Set A Questions to practice with a partner.

Instructions:

You can practice asking these questions with a partner or record yourself on flip.com and review what you say.

Short answers like "I do" or "I like it" are not really enough for this section of the test, so you should try to provide a reason for your answer.

If you are asking the questions, ask them "why?" or "Why not?" to help them practice extending their answers.
